

Regular visitors may notice that the site has a new look. This is in response to the continued popularity of the site, and is designed to make it easier to navigate, as well as easier to get involved with.

If you register as a user of the site you can now create your own profile, with information about the type of act you perform (if you are a busker). You will also be able to post to our forum, and make connections with other members.

Membership is open to anyone who wishes to join, you don't need to be a busker or live in Bath. We would like to have members who are buskers who live in other parts of the UK as well as world-wide.
